3 Data we hold

As a customer of Dellner, we try to keep the processing of your personal data as low as possible. The only information we hold in any case is information on how to contact you on the contact information publicly available or presented to us by you or in the process of collaboration. We use this information in order to keep in touch during projects and for making sure you are happy with the delivered projects. We also to a low extent use this information for marketing through e-mail. When you receive this e-mail you have the possibility to opt out of our e-mail list.

As a supplier of Dellner, we try to keep the processing of your personal data as low as possible. We hold information about how to contact you in our registries only if you are the official contact of your company.

As a visitor of Dellner facility, we keep record of who is in the building at any given time in combination with who you are visiting. We collect this data at our reception to make sure you are safe in case of fire alarm.

The processing above is in made after careful judgment and with lawful basis.
