Since 1960s the North American market has long been of great significance to Dellner. After years of growth and several moves, Dellner finally found its home in the USA in Charlotte, NC in 1993. Today, more than 40 employees across two locations in Charlotte, North Carolina and Roseville, California, provide a service to our customers in Canada, the United States, Mexico and the Caribbean. Services in North America include manufacturing of new Dellner couplers, overhaul and repair of in-service couplers, and the supply of spare parts and accessories for Train Connection Systems.

### IN THE NORTH AMERICAN MARKET DELLNER US HAS:

- sold **over 12 000 automatic and semi-permanent couplers**
- overhauled **over 3 000 automatic and semi-permanent couplers**
